

A vintage-style photograph of a crowded beach scene. In the background, a long wooden pier or boardwalk extends from the left towards the right, lined with numerous people. The beach is filled with many more people, some sitting on towels, others standing or walking. The water is visible in the foreground and middle ground.

# BUSSELTON PAVILION

welcome to the pav, where our love for celebrating the diverse and eclectic wine scene is reflected in our carefully hand-picked wines sourced from local friends and special world-class regions, spanning both interstate and beyond.

our beers represent a continually changing selection of our team's favourites, mixed with some fun and intriguing sips to keep things interesting.

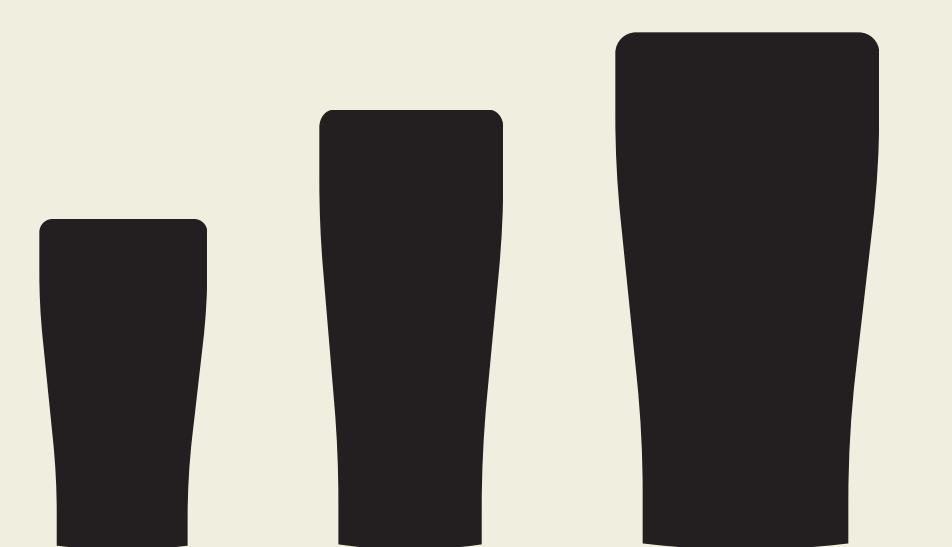

we admit we love a good “no and low”, providing plenty of options for those seeking a satisfying kick without the punch. of course, let's not overlook the cocktail list - a fine and dandy selection, if you ask us!

we hope you're thirsty - cheers big ears!
